

### **17.3 LOCAL ROADS AND COMMUNITY INFRASTRUCTURE PROGRAM (LRCI) - PHASE 4**

Contact Person: Dale Welsh

#### **Why is this matter confidential?**

Subject to an order pursuant to Section 90 (3) (b) of the Local Government Act 1999, this matter is confidential because the provision of this information is contrary to the public interest as it relates to potential investment of Council money in new services over the coming financial year.

#### **A. COUNCIL TO MOVE MOTION TO GO INTO CONFIDENCE**

No action – this motion passed in the open section.

#### **B. THE BUSINESS MATTER**

### **17.3 LOCAL ROADS AND COMMUNITY INFRASTRUCTURE PROGRAM (LRCI) - PHASE 4**

**Responsible Executive Manager :** Dale Welsh

**Report Author :** Sarah Young

**Delegated Authority :** Matters which cannot be delegated to a Committee or Staff

**Attachments :**

1. [LRCI Phase 4 - email notification](#)
2. [LRCI Phase 4 - funding allocations](#)

#### **PURPOSE**

The purpose of this report is to seek a Council decision on which project(s) to nominate for funding as part of Council's Local Roads and Community Infrastructure Phase 4 funding allocation.

#### **STAFF RECOMMENDATION**

1. Council allocates the \$1,394,838 funding allocated to the City of Playford via the Local Roads and Community Infrastructure Phase 4 program to the upgrade of Kalara Reserve
2. Council acknowledges that the financial implications of the project allocation and associated grant funding will be included in the draft 2023/24 Annual Business Plan

#### **EXECUTIVE SUMMARY**

The Federal Government recently announced a commitment to a further \$750 million to Phase 4 of the Local Roads and Community Infrastructure (LRCI) Program. \$500 million has already been allocated across the relevant councils, with \$1,394,838 allocated directly to the City of Playford (see Attachment 1 and 2).

Announcements for the remaining \$250 million will be made shortly, but will be focused on road projects in rural, regional, and outer urban areas. The purpose of the LRCI Program is to assist local governments in delivering priority local road and community infrastructure projects with an additional objective of creating jobs, delivering long lasting benefits for communities.

Council allocated its Phase 1, Phase 2 and Phase 3 LRCI allocation to the delivery of new footpath projects, open space upgrades and the upgrade of Stebonheath Road. This report seeks a decision from Council on what project(s) it should nominate for Phase 4 funding.

Staff have recommended that Council nominates Kalara Reserve for the Phase 4 LRCI funding allocation. The upgrade of the clubrooms at Kalara Reserve are a priority in Council's Sportsground Strategy and have already received \$1M of external State Government funding. The additional LRCI funding would enable Council to significantly upgrade the facilities at the Kalara Reserve in accordance with the directions in the Sportsground Strategy. This includes the upgrade and consolidation of clubrooms, change rooms and car parking. This aligns to our decision-making filter of leveraging external funding and finishing what we have started.

## 1. BACKGROUND

The LRCI Program is a non-competitive funding program announced by the Australian Government (Department of Infrastructure, Transport, Regional Development and Communications) in May 2020. The funding can be used for a range of community infrastructure. There have been three previous phases to the program which Council allocated to the following projects:

LRCI Phase 1 Projects (2020/21)	Funding
New Footpath Projects	\$1,394,838
<b>Total Phase 1 Allocation</b>	<b>\$1,394,838</b>

LRCI Phase 2 Projects (2020/21 and 2021/22)	Funding
Stebonheath Road Upgrade – Stage 2	\$429,018
Burdell Reserve Upgrade – Elizabeth Downs	\$623,532
California Reserve Upgrade – Craigmore	\$623,532
Mandeville Reserve Upgrade – Davoren Park	\$623,532
Willison/Goodman Reserve Upgrade – Elizabeth South	\$623,532
New Footpath Projects	\$500,000
<b>Total Phase 2 Allocation</b>	<b>\$3,423,146</b>

LRCI Phase 3 Projects (2022/23)	Funding
Stebonheath Road Upgrade – Stage 3	\$2,789,676
<b>Total Phase 3 Allocation</b>	<b>\$2,789,676</b>

On the 13<sup>th</sup> of February 2023 the Mayor was notified that the City of Playford will receive \$1,394,838 funding under Phase 4 of the LRCI Program. Nominations for projects to be funded open in July 2023, with construction of projects required to be completed by June 2025.

## 2. RELEVANCE TO STRATEGIC PLAN

All projects listed in the discussion section of this report are considered to align to the delivery of Council's Strategic Plan. They all relate to the decision-making filters of *we will work with other levels of government and stakeholders to ensure we maximise any opportunity to leverage external funding, and will improve safety and accessibility and lift city appearance*. The staff recommendation also represents an opportunity for Council to *finish what it has started*.

### 3. PUBLIC CONSULTATION

There is no requirement to undertake public consultation on the decision at this stage.

Public consultation will occur as part of the Draft 2023/24 Annual Business Plan consultation. The consultation process will follow Council's Community Engagement Policy and Procedure.

### 4. DISCUSSION

The LRCI Program is a non-competitive funding program, meaning that Council can nominate a broad range of project(s) to allocate the \$1,394,838 funding to. In preparing this report staff have considered Council's previous decisions as part of the LRCI Phase 1, 2 and 3 Programs and have reviewed the Four Year Delivery Plan for suitable projects that have the capacity to be delivered within the funding timelines (June 2025). A summary of each project is outlined below:

#### 4.1 Project 1 - Kalara Reserve Clubrooms Upgrade

Kalara Reserve is identified as a high priority district level sportsground with a soccer focus in Council's Sportsground Strategy. The strategy recommends consolidation of buildings which are in poor condition, associated car parking and the inclusion of a fitness track.

The upgrade of the facilities is estimated to cost \$3.5M, with the detailed scope of works and staging of the works to be determined once further planning and consultation with the local clubs has taken place. As well as soccer the facility is now attracting greater use for cricket.

In 2022, as part of an election commitment, the State Government committed \$1M to the upgrade of the Andrews Farm soccer upgrades at the reserve. This budget was included in the 2022/23 Annual Business Plan and will be carried over to 2023/24 (See Information Pack V1 from 17 January 2023).

A supplementary funding request for \$2.5M is included in Year 2 of the Four-Year Delivery Plan, to facilitate a wholistic upgrade of the facilities at Kalara Reserve and deliver on the directions outlined in the Sportsground Strategy. Allocation of the Phase 4 LRCI funding to Kalara Reserve would mean that Council will only have to fund an estimated \$1.1M to deliver a comprehensive upgrade of the facilities (noting that concept plans and a cost estimate are yet to be developed).

The staff recommendation aligns with Council's decision-making filters of leveraging external funding and finishing what it has started, to deliver a high priority project for the community. Council has already committed to this project via the 2022/23 Annual Business Plan, and it is already included in our Four-Year Delivery Plan. Finally, we have capacity to deliver within the grant funding timelines.

## **4.2 Project 2 - New Footpaths Project**

The draft 2023/24 Annual Business Plan already includes a New Footpaths Project with a budget of \$456,000.

This option would see Council allocate the full LRCI Phase 4 funding of \$1,394,838 to new footpaths and increase the budget to \$1,850,838. Council has invested over \$2.4M into new footpaths across 2021/22 and 2022/23. This project will deliver new footpaths, where a footpath does not exist on either side of the road network (missing links) and where there is limited connectivity for walking and cycling, including pram ramps where applicable. The list of footpaths to be delivered will be developed by staff over the next few months.

This option aligns with Council's decision-making filters of leveraging external funding to deliver projects that improve safety and accessibility and lift city appearance, and we have capacity to deliver within the grant funding timelines.

## **4.3 Project 3 - Open Space Projects**

This option would see Council allocate the full LRCI Phase 4 funding of \$1,394,838 to nominated Open Space Projects listed in Year 2 of Councils Four Year Delivery Plan.

Under this option it is recommended that Council allocate grant funding to the following projects from Year 2 of the Four-Year Delivery Plan:

- Open Space Minor Projects
- Sandford Reserve, Davoren Park
- Gloaming Reserve, Hillbank
- Don Hardy Reserve (O'Brien Street), Davoren Park

The projects in this option align with Council's decision-making filters of leveraging external funding to deliver priority projects that are already included in our Four-Year Delivery Plan, and we have capacity to deliver within the grant funding timelines.

The minor works project responds to feedback and requests from the community for small improvements to various parks and open spaces across the city. The reserve upgrades are identified as high priority projects in Council's Open Space Strategy.

## **4.4 Project 4 - Dwight Reserve North - Supplementary Funding**

This option would see Council allocate the full LRCI Phase 4 funding of \$1,394,838 to deliver the full scope of works at Dwight Reserve North.

Council received \$400,000 towards the upgrade of Dwight Reserve North from the State Government following the 2022 election. The total project cost is estimated to be \$1.6M with the full scope of works required to bring this reserve up to community standards.

A Dwight Reserve North - Supplementary Funding bid for \$1.2M was originally included in the proposed new projects for funding via the 2023/24 Annual Business Plan. However as per Council resolution 5326 at the 28 February 2023 Ordinary Council meeting this project was removed from the projects to be included in the Draft 2023/24 Annual Business Plan. It was agreed that there were other higher priority projects for Council to invest in across the city. In addition, an upgrade to Dwight Reserve North was not identified as a high priority project in the Open Space Strategy.

Council has the opportunity to fully grant fund this project by combining the existing grant funds of \$400k with the Phase 4 LRCI funding. This provides Council with the opportunity to maximise community outcomes at Dwight Reserve North.

The option aligns with Council's decision-making filters of leveraging external funding to deliver a project that is already included in our Four-Year Delivery Plan and finishing what we have started.

#### **4.5 Other projects considered**

In response to Elected Member discussions and feedback, the Strategic Projects budget included in the draft 2023/24 Annual Business Plan identifies the following proposed planning activities:

- \$15k for concept planning at Dwight Reserve. This funding will be used for the preparation of concept designs and to determine the location of additional change rooms for Eastern Park clubs, including car parking options for the site.
- \$25k for master planning at Dauntsey Reserve. This funding will be used to develop a masterplan for Dauntsey Reserve including consultation with interested parties and the community.

If Council endorses these projects through the Annual Business Plan, it is estimated that the construction works associated with these projects will not be delivered for another 2-3 years. This timeframe is based on Council's current capacity to deliver and the project delivery life cycle. With this in mind, staff are exploring options for the installation of portable temporary change rooms at both of the sites mentioned above. A separate report outlining this proposal and the various options will be presented to council at a later date.

## 5. OPTIONS

### Recommendation

1. Council allocates the \$1,394,838 funding allocated to the City of Playford via the Local Roads and Community Infrastructure Phase 4 program to the upgrade of Kalara Reserve
2. Council acknowledges that the financial implications of the project allocation and associated grant funding will be included in the draft 2023/24 Annual Business Plan

### Option 2

1. Council endorses the allocation of the City of Playford's \$1,394,838 Phase 4 Local Roads and Community Infrastructure funding to the construction of new footpaths.
2. Council acknowledges that the financial implications of the project allocation and grant funding will be included in the draft 2023/24 Annual Business Plan

### Option 3

1. Council endorses the allocation of the City of Playford's \$1,394,838 Phase 4 Local Roads and Community Infrastructure funding to the following projects:
  - Open Space Minor Projects - \$244,838
  - Sandford Reserve, Davoren Park - \$250,000
  - Gloaming Reserve, Hillbank - \$500,000
  - Don Hardy Reserve (O'Brien Street), Davoren Park - \$400,000
2. Council authorises the CEO to vary the indicative budget allocation between the above projects as necessary to respond to refinements in the project costings as project planning progresses; or to maximise the amount of the allocation expended within the funding program timelines.
3. Council acknowledges that the financial implications of the project allocation and grant funding will be included in the draft 2023/24 Annual Business Plan.

### Option 4

1. Council endorses the allocation of the City of Playford's \$1,394,838 Phase 4 Local Roads and Community Infrastructure funding to the upgrade of Dwight Reserve North
2. Council acknowledges that the financial implications of the project allocation and grant funding will be included in the draft 2023/24 Annual Business Plan.

## 6. ANALYSIS OF OPTIONS

### 6.1 Recommendation Analysis

#### 6.1.1 Analysis & Implications of the Recommendation

The staff recommendation represents an opportunity to leverage additional funding for the upgrade of Kalara Reserve, adding to the existing \$1M funding received in 2022 from the State Government for Andrews Farm soccer upgrades. This grant funding allocation needs to be expended by the 30<sup>th</sup> of June 2024.

A supplementary funding request for \$2.5M is included in Year 2 of the Four-Year Delivery Plan, to enable a significant upgrade of the facilities at Kalara Reserve. Allocation of the Phase 4 LRCI funding to Kalara Reserve would mean that Council will only have to fund an estimated \$1.1M to deliver a comprehensive upgrade of the facilities and deliver on the directions in the Sportsground Strategy.

The project has strong alignment to Council's Strategic Plan, and with \$1M of grant funding already allocated to the upgrade, the LRCI funding would allow Council to finish what it has started.

## Risk Appetite

### Service Delivery

*Council has a moderate appetite for supporting and enhancing existing services and programs to improve the social, recreation and health and wellbeing outcomes for residents; and driving social and economic transformation through a number of major projects and Council initiatives, which will create jobs and act as a catalyst for private investment into Northern Adelaide to support the growing population.*

This decision will ensure that Council is ready to support and respond to our growing community by leveraging external funding to provide appropriate new services and infrastructure.

### 6.1.2 Financial Implications

Council has already allocated \$1M of State Government funding to the upgrade of the clubrooms at Kalara Reserve (Andrews Farm soccer upgrades) via the 2022/23 Annual Business Plan. A further \$2.5M funding has been included in Year 2 of the Four-Year Delivery Plan. There is an opportunity to pool the existing funding with the LRCI Phase 4 funding to deliver a comprehensive upgrade to the facilities at Kalara Reserve and lessen the funding gap for Council in 2024/25.

The whole of life project budget and proposed funding pathway for Kalara Reserve is broken down in the table below (note the budget is estimated given concepts are yet to be developed):

Project Budget and Funding Pathway	Budget
State Government election commitment (already included in the 2022/23 budget)	\$1,000,000
LRCI Phase 4 funding (2023/24 Annual Business Plan)	\$1,394,838
<b>TOTAL external funding</b>	<b>\$2,394,838</b>
<b>Estimated total project budget</b>	<b>\$3,545,000</b>
Remaining Council Contribution (estimated)	\$1,150,162

### 2023/24 Budget Implications

The table below summarises the 2023/24 budget implications as they are presented in Version 3 of the 2023/24 Annual Business Plan Information Pack. For budget purposes the ongoing operating cost has been based on the highest cost project (Kalara Reserve). The ongoing operating cost will be funded via the 2023/24 Annual Business Plan.

	Current Year 2022/23 \$'000	Future Years 2023/24 \$'000	Ongoing \$'000
Operating Revenue			
Operating Expenditure			
<b>Net Operating Impact</b>			
Capital Revenue			
Capital Expenditure		1,395	116
<b>Total Borrowings (Capital Investment)</b>			

## 6.2 Option 2 Analysis

### 6.2.1 Analysis & Implications of Option 2

Option 2 also provides an opportunity to deliver a project that has a strong alignment to Council's Strategic Plan and will improve safety, accessibility and lift city appearance. Council has previously allocated funding from the LRCI Program Phases 1 and 2 to new footpaths. The list of footpaths to be delivered with the funds will be developed in the next few months.

### 6.2.2 Financial Implications

This option proposes to allocate all of the Phase 4 LRCI funding to the construction of new footpaths. The table below summarises the budgetary implications of this option in 2023/24.

Project Budget and Funding Pathway	Budget
2023/24 New Footpaths Project (2023/24 Annual Business Plan)	\$456,000
Additional New Footpath Project (LRCI Phase 4 funding)	\$1,394,838
<b>TOTAL Project Budget</b>	<b>\$1,850,838</b>

## 6.3 Option 3 Analysis

### 6.3.1 Analysis & Implications of Option 3

Option 3 also provides an opportunity to deliver projects that have a strong alignment to Council's Strategic Plan and will improve safety and accessibility and lift city appearance. Council has previously allocated funding from the LRCI Program Phase 2 to new Open Space upgrades.

### 6.3.2 Financial Implications

This option proposes to nominate Open Space projects from Year 2 of the Four-Year Delivery Plan, with indicative funding for each project broken down as per the table below:

Project Budget and Funding Pathway	Budget
Open Space Minor Projects (LRCI Phase 4 funding)	\$244,838
Sandford Reserve (LRCI Phase 4 funding)	\$250,000
Gloaming Reserve (LRCI Phase 4 funding)	\$500,000
Don Hardy Reserve (O'Brien Street) (LRCI Phase 4 funding)	\$400,000
<b>TOTAL Project Budget</b>	<b>\$1,394,838</b>

## 6.4 Option 4 Analysis

### 6.4.1 Analysis & Implications of Option 4

Option 4 also provides an opportunity to deliver projects that have a strong alignment to Council's Strategic Plan and will improve safety and accessibility and lift city appearance. Council has already undertaken community engagement on the concept plan for the reserve upgrade. Council could fully grant fund this project by combining the existing grant funds of \$400k with the Phase 4 LRCI funding.

#### 6.4.2 Financial Implications

This option proposes to nominate Dwight Reserve North, with funding broken down as per the table below:

Project Budget and Funding Pathway	Budget
State Government election commitment (already included in the 2022/23 budget)	\$400,000
Dwight Reserve North (LRCI Phase 4 funding)	\$1,394,838
<b>TOTAL external funding</b>	<b>\$1,794,838</b>
<b>Estimated total project budget</b>	<b>\$1,628,000</b>

The remaining external funds will be retained for contingency purposes until the project has been tendered for construction and delivered (detailed design is currently underway). If the contingency is not required a Council Report will be prepared seeking a decision on the allocation of remaining LRCI Phase 4 funds.

Regional Development, Communications and the Arts

## **Local Roads and Community Infrastructure Program Phase 4**

The Australian Government is continuing to support local councils to deliver services and build infrastructure that provides benefits and supports jobs in local communities across the nation through the Local Roads and Community Infrastructure (LRCI) Program.

The Government has committed \$750 million to Phase 4 of the LRCI Program, including \$250 million which will focus on road projects in rural, regional and outer urban areas. This brings the total Australian Government commitment to the LRCI Program to \$3.25 billion.

The Albanese Government is allocating \$500 million in accordance with advice to councils prior to the election in May 2022. Councils across Australia will be able to spend this funding on priority local road and community infrastructure projects.

The Albanese Government is committed to a robust methodology underpinning the determination of eligible councils for the additional \$250 million. Detail about these allocations will be announced shortly.

Councils will be able to access their Phase 4 funding allocations from July, with projects to be delivered by June 2025. This longer delivery window will allow councils more time to plan larger or more complex projects that may be a higher priority and have a bigger impact in your community.

The LRCI program supports all Australian councils to deliver priority local road and community infrastructure projects in their region, creating jobs and long-lasting benefits for communities.

Guidelines and grant agreements will be finalised by the Department of Infrastructure, Transport, Regional Development, Communications and the Arts over the coming months.

Individual council allocations of the \$500 million are attached and also available on the Local Roads and Community Infrastructure Program [website](#).

We look forward to continuing to work with you to deliver priority local road and community infrastructure projects.

Yours sincerely

THE HON CATHERINE KING MP  
Minister for Infrastructure, Transport, Regional Development and Local Government

THE HON KRISTY MCBAIN MP  
Minister for Regional Development, Local Government and Territories

**C. COUNCIL TO DECIDE HOW LONG ITEM 17.3 IS TO BE KEPT IN CONFIDENCE****PURPOSE**

To resolve how long agenda item 17.3 is to be kept confidential.

**STAFF RECOMMENDATION**

Pursuant to Section 91(7) of *the Local Government Act 1999*, the Council orders that the following aspects of Item 17.3 be kept confidential in accordance with Council's reasons to deal with this item in confidence pursuant to Section 90 (3) (b) of the *Local Government Act 1999*:

- Report for Item 17.3
- Attachments for item 17.3
- Minutes for Item 17.3

This order shall operate until the adoption of the 2023/24 Annual Business Plan and Budget, or will be reviewed and determined as part of the annual review by Council in accordance with Section 91(9)(a) of *the Local Government Act 1999*, whichever comes first.
