Contact Person: Sam Green

#### **Why is this matter confidential?**

It is considered in the interest of Council to have this matter as confidential until such time that the Minister for Planning approves the Initiation of the Code Amendment. At this point, the Code Amendment initiation documentation will be published on a public forum, the SA Planning Portal. Keeping this item confidential until this point allows for the control release of the project information until the project has been approved by the Minister. Otherwise, Council could be in a position whereby it has supported the initiation of the Code Amendment and expectation from the community on the intent of the project has occurred. Yet, if a decision from the Minister has not yet been forthcoming or is delayed beyond Councils control. This could cause confusion and/or misinformation to the community, not allow for a fully informed position and coordinated communication piece from Council.

Subject to an order pursuant to Section 90(3)(m) of the *Local Government Act 1999*, this matter is confidential because allows for confidential discussion (and endorsement) on the potential rezoning of land prior to the Minister for Planning approval for the Initiation of the Code Amendment at which point the initiation documentation is published on the SA Planning Portal.
