## McGilp Recreation Park Redevelopment

### Background

City of Playford has been working with key users of the McGilp Recreation Park at One Tree Hill to develop a concept for the upgrade of the community and sporting facility.

The park is used by various members of the community including One Tree Hill Soccer, Cricket and Tennis Clubs, One Tree Hill Primary School and One Tree Hill Scouts. Senior soccer matches can't be played at the facility due to lack of change rooms and the poor quality of the pitch. The redevelopment of the park will resolve these issues.

### Project Details

A shovel ready design has been developed for the upgrade of facilities within McGilp Recreation Park. The design includes the creation of two soccer pitches – one senior and one junior – upgrade of the carpark and change rooms and improvements to the stormwater and wastewater management systems. The concept design also includes an indicative area for a BMX track.

### Funding

The cost of the upgrade is approximately \$3M. The project is not in Council's medium term priorities for funding. To progress this redevelopment in the short term, Council will need to receive significant funding from the State or Federal Government.

# McGilp Recreation Park Redevelopment

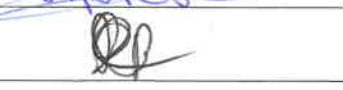

## Petition

The City of Playford has been working with key users of the McGilp Recreation Park at One Tree Hill to develop a concept for the upgrade of the community and sporting facility.

A concept design has been developed for the upgrade of facilities within McGilp Recreation Park. The design includes the creation of two soccer pitches (one senior and one junior), upgrade of the carpark, construction of new change rooms, improvements to the stormwater systems and a BMX track.

The cost of the reserve upgrade is approximately \$3M. The project is currently not in Council's short term priorities for funding. However, Council is likely to bring forward the project if significant funding from the State Government can be secured.

This Petition is seeking the Member of King, Ms Paula Luethen MP, to obtain the commitment of the State Government to allocate at least half of the funds towards the delivery of the entire upgrade of McGilp Recreation Park Redevelopment.
