

Community Land Management Plan

2. Parks and Reserves

Acknowledgement of Country

We acknowledge and pay our respects to the Kurna people, the traditional custodians whose ancestral lands we gather on. We acknowledge the deep feelings of attachment and relationship of the Kurna people to country and we respect and value their past, present and ongoing connections to the land and cultural beliefs.

Parks and Reserves Objectives, Performance Targets and Measures	58

Overview of Parks and Reserves

Parks and reserves are planned and designed to deliver quality and sustainable recreational areas which will cater for current and future population needs.

Parks and reserves are areas of open space of varying sizes from small minor parks which cater for local residents in their vicinity to large regional parks which attracts visitors from across the City and outside of the Playford area. They are primarily designed as informal and passive recreational areas which offer a range of amenities to encourage social, inclusive and active community interactions.

Some parks and reserves may also incorporate a drainage or stormwater management function, be part of a wetland or within a sportsground. They may also include service infrastructure such as SA Power Networks transformers or SA Water pumps.

Some of the amenities might include play equipment, BBQ's, walking and cycle paths which provide linkage between open spaces or community facilities, exercise equipment, landscaping and grassed areas, seating and shelters.

Purpose for Which the Land is Held

The purpose for which the land is held to:

- Ensure accessible open spaces for the use, enjoyment, and benefit of the community.
- Inclusive space for all to play, socialise, exercise, celebrate or participate in other community/civic events or sport and recreational activities.
- Encourage social interaction and connection.
- Include playspaces, structured gardens and open grassed areas and nature spaces which provide a setting which people can enjoy.
- Protect and enhance locally native flora and fauna.
- Plant and maintain primarily locally native trees for canopy development.
- Facilitate use of land for utilities and service provider infrastructure.

Management Proposals for the Land

Council will manage development and maintenance of parks and reserves in accordance with all legislative requirements and Council's strategic documents which include the Strategic Plan, city-wide strategies, the Strategic Asset Management Plan and applicable masterplans.

Council's strategic documents are updated periodically. They provide guidance for the planning, management and decision making for Council's community land. A full reference list of the legislative requirements and strategic framework documents is contained within the Community Land Management Plan (CLMP) Overview.

Any proposals which are identified for any of the parks and reserves are subject to Council approval and available funding (grant funding or Council financed).

Overview of Parks and Reserves

Each parks and reserves schedule may contain individual proposals for future upgrades or redevelopment of a park or reserve or associated amenities to enhance the location such as toilets or car parks.

The review of the CLMP considers upgrades which have been undertaken and completed since the last review. Therefore, some parks and reserves have been given a higher classification i.e. a local park has been upgraded to be classified as a neighbourhood park.

Council's key strategic management objectives for parks and reserves include:

- Adoption of a hierarchy approach for the provision of parks and reserves as outlined in Council's Open Space Strategy.
- Provision and maintenance of diverse and quality open space.
- Quality parks and reserves at key locations which provide easily accessible amenities which meets the needs of the local community and visitors.
- Protecting and retaining native vegetation and natural amenity spaces.
- Enhance open space through sustainable and efficient management practices.
- The Strategic Asset Management Plan which identifies strategies to improve management practices that will deliver assets that serve our current and future community.

Parks and Reserves Hierarchy

A hierarchy approach has been adopted through Council's Open Space Strategy for the provision of parks and reserves.

The purpose of creating a hierarchy is to provide a guide for the type of park or reserve to meet the needs of the catchment area; to aim for a maximum distance a user may travel to visit the park or reserve. The hierarchy is influenced by the size, quality and range of facilities provided in any given reserve.

Within this plan, park and reserves have been grouped into their hierarchy level and provide property and ownership details (including Crown land dedicated to Council), maps, the purpose for which the land is held, any management proposals and any specific leases or licenses held over the land.

There may be occasions where a land parcel has multiple community land categories, referred to as "dual categories." For example, the land parcel for the Spruance Road Reserve also incorporates the Playford Tennis Centre, which is included in the Sportsgrounds CLMP. This CLMP applies only to that portion of land categorised as a park or reserve. The remaining area will be covered by the appropriate plan for that category.

Below are the five hierarchy levels and definitions which have been used for the Parks and Reserves CLMP:

1. Regional
2. District
3. Neighbourhood
4. Local
5. Minor

Overview of Parks and Reserves

1. Regional Parks and Reserves

- Destinations that will potentially draw visitors from across the City and outside of the Council area.
- Provide a focal point in the region due to the size, unique character or diverse features of the park or reserve.
- Include multi-functional spaces that accommodate a range of recreational activities.
- Have the capacity to cater for a large number of visitors.
- Are capable of hosting major events and gatherings.
- Include mature trees and quality landscaping.
- Connect to public transport and/or major roads.

2. District Park and Reserves

- Cater primarily for the local community, with some spaces attracting visitors from across the City and outside of the Council area.
- Provide an appealing and good quality recreational setting.
- Include diverse facilities and activity opportunities for a range of users.
- Include good quality landscaping and tree canopy.
- Capacity to support large number of users linked to activities and events.

3. Neighbourhood Park and Reserves

- Cater primarily for the local community located within a close proximity.
- Provide a focus for local recreational activities such as dog walking and children's play areas.
- Be of good quality and appealing landscaping and provide tree canopy.
- Potential link to local schools and community facilities.

4. Local Parks and Reserves

- Cater for the local community located within walking distance.
- Typically used for short periods of time.
- Could include landscaping and maintained areas and provide tree canopy.
- Contribute to the visual amenity and character of the locality.

5. Minor Parks and Reserves

- Minimal recreation value due to their size and limited recreation function.
- Contribute to the visual amenity, character of the locality, serve as a pedestrian connection and provide tree canopy.

Description of the Land

Within each hierarchy level a table will be included which will provide the following information:

- Name of land
- Street address
- Certificate of title, plan, and allotment
- Owner of the land
- Dual category CLMP number
- Crown land trust or dedication granting the City of Playford as custodians

Overview of Parks and Reserves

Further information including lease and licence details for land parcels are referenced in the Community Land Register available on the City of Playford website.

Leasing, Licensing & Permits

General information regarding Council granting of a lease, licence and casual hire permits over community land is contained within the CLMP Overview.

Lease, licence or permit agreements may be granted which are consistent with this plan. In the case of Crown land, the agreement must also be consistent with the dedicated purpose of the land.

Granting of a lease, licence or permit, as per the conditions set out in Section 200 and 202 of the *Local Government Act 1999*, approves the use of parks and reserves, or associated buildings and infrastructure by appropriate tenants including clubs, community groups, schools, commercial/private organisations or community members.

Details of current lease or licence agreements are included in the Community Land Register available on Council's website.

The following types of agreements may be granted over parks and reserves:

- **Licence Agreement**

A licence agreement (non-exclusive) may be granted which is consistent with the purpose of the land set out in this plan for community or commercial use.

- **Group Fitness and Personal Training Hire Permit**

Permits may be granted for personal training or group fitness classes to be held in Council's parks and reserves. Applicants are issued a permit up to 12 months for set times and locations and must follow specific terms and conditions.

- **Casual Hire Permit**

A casual hire permit is used for single use or short-term use of park or reserve and generally granted to clubs, schools, commercial and community groups. A hirer must comply with the specific terms and conditions.

Permitted casual use includes:

- Personal training and group fitness classes
- Community events
- Commercial or private events
- Council use for community and civic events

Objectives, Targets and Performance Measurement

Council is required within the CLMPs to set out its vision for the land through objectives and performance targets, and how Council proposes to measure its performance against its objectives and targets.

Appendix A sets out the objectives, performance targets and measures for parks and Reserves.

1.1 Regional

1.1 Regional

Regional parks and reserves are characterised by their size and diversity and have a catchment area which covers a broad geographical area with visitors travelling from across the City or outside of the Council area.

Regional parks and reserves will usually comprise of a substantial recreational area with numerous amenities and significant areas of natural land which may comprise bushland, wetlands and/or other natural features.

The parks and reserve within this hierarchy include areas large enough to accommodate a variety of concurrent activities such as casual sport, picnics, BBQ's, family gatherings, community/civic events and walking and cycle trails.

The following parks are categorised as regional:

- Fremont Park
- Jo Gapper Park
- Playford Alive Town Park
- Stebonheath Park

Facilities and amenities within a regional park may include:

- Playgrounds/playspaces
- Public toilets
- Trees and landscaping
- May include larger areas of natural habitat (large trees, local native vegetation), remnant vegetation and areas of revegetation
- Irrigated grassed areas
- Entry statement and signage
- Other activity structures i.e. basketball courts, exercise equipment, skate/BMX and soccer goals
- Seating
- Shelters
- BBQ's
- Pedestrian and cycles paths
- Community and civic event spaces i.e. rotunda, large open spaces to erect marquees
- Park lighting
- On-site car parking
- Dog parks

Purpose for Which the Land is Held

The purpose for which the land is held is to:

- Provide open space for the use, enjoyment and benefit of the community.
- Be inclusive for all to play, socialise, exercise, celebrate or participate in other community/civic events or sporting and recreational activities.
- Encourages social interaction and connections.
- Include play spaces, structured gardens, open grassed areas and nature spaces which provide a setting which people can enjoy.

1.1 Regional

Management Proposals for the Land

The eastern portion of Fremont Park was upgraded during 2022/23 to feature a new dog park, expanded events space with irrigated lawns, extension to the fitness loop path, a new gazebo and amenities including off-street parking and public toilets.

Refer to Appendix A for the objectives, performance targets and measures, which contain specific and measurable actions required to achieve Council’s management and development of our parks and reserves.

Description of the Land

The table within the following section itemises each regional park and reserve providing the following information:

- Name of land
- Street address
- Certificate of title, plan and allotment
- Owner of the land
- Dual category CLMP number
- Crown land trust or dedication granting the City of Playford as custodians

Further information including lease and licence details for land parcels are referenced in the Community Land Register available on the City of Playford website.

1.1 Regional

Fremont Park

Originally known as the Town Common, the park opened in 1978 with the completed lake, landscaping and car park. In 1980, 25 trees were planted to commemorate each year since Elizabeth's inauguration in 1955.

The park was officially named Fremont Park after the Elizabeth Council's sister city of Fremont, California USA. Some of the oldest trees in the park come from seeds given to Elizabeth Council from the civic leaders of Fremont.

Fremont Park is Council's premier regional park featuring the City's most beautiful recreation and leisure activities. The 15-hectare park features a large lake with fountain, small waterfall and natural creek, extensive green areas, two playgrounds, exercise equipment and a rotunda for events. The park is also a popular location for large community and civic events.

Features include:

- Playground
- Public toilets
- Onsite parking
- BBQ and shelter seating
- Exercise equipment
- Extensive grass play areas
- Rotunda
- Lake
- Walking and running trails
- Dog park

1.1 Regional

Jo Gapper Park

An English migrant of the 1950s, Jo Gapper OAM was the first elected Mayor of Munno Para Council. After becoming widowed in 1974, Mrs Gapper threw herself into a life of community service, including spending 15 years on Council, with ten as Mayor. She co-founded the Greening of Munno Para Group (now Playford Greening and Landcare Group) and participated in the development of the Munno Para Shopping Centre. Mrs Gapper received the Order of Australia Medal in 1987.

Jo Gapper Activity Park is one of the jewels in the crown of Playford's parks, reserves and playgrounds. Fitting neatly into all three categories, the park features a children's playground, sporting facilities, including football oval, basketball and tennis courts, walking trail and lookout, extensive natural areas and a spacious off-lead dog park.

Features include:

- Playground
- BBQ and shelter seating
- Dog park
- Lookout
- Onsite parking
- Walking trails
- Basketball and tennis courts
- Nature reserve
- Locally native biodiversity
- Public toilets
- Grassed oval and play area with football goals
- Clubrooms and club pistol shooting range

Crown Land Dedication to Council

Jo Gapper Park has been established on Crown land and dedicated to Council for recreation and Metropolitan Open Space System purposes.

1.1 Regional

Playford Alive Town Park

Playford Alive Town Park was named after the 2003 State Government housing initiative to revitalise and develop housing within the Peachey Belt of Smithfield Plains and Davoren Park, and a new housing development within the Munno Para area.

The Town Park is a place the community can come together to enjoy the open grassed areas with picnic areas, playspaces which including water play area and basketball court. The skate park is popular with youth and skating events are regularly held at this location.

Features include:

- Grassed play area
- Landscaping
- Playground
- Skate park
- Basketball court
- Picnic area with shading and seating
- BBQ's
- Water play area
- Public toilets
- Car parking
- Pedestrian and cycle paths

1.1 Regional

Stebonheath Park

Stebonheath Park is home to one of Council's largest wetlands, boasting 3.6 hectares of wetland, boardwalks, and bridges to provide the best views of the park and northern Mount Lofty Ranges.

Stebonheath Park has three distinct playgrounds suitable for toddlers, young children and older more adventurous children with BMX bike ramps and dirt track.

A feature within Stebonheath park is the Stolen Generations Memorial and Healing Garden. This is a place of remembrance, reflection and respect towards Aboriginal people and their families and communities. Artwork completed by the Circle of Hope and other members of the stolen generations can be seen in the garden. It serves as an educational resource, fostering cross-cultural respect and understanding in South Australia.

Features include:

- Wetlands
- Playgrounds
- Stolen Generations Memorial Gardens
- Smith Creek Trail
- Dog park
- Dirt bike track
- Walking trails
- Public toilets
- BBQ and seating
- On street car parking
- Pedestrian and cycling trail
- Nature reserve
- Wetlands

Crown Land Dedication to Council

Stebonheath Park has been established on Crown land and dedicated to Council for recreation and Metropolitan Open Space System purposes.

2.2 District

2.2 District

District parks and reserves are characterised by their size and diversity and primarily attract visitors from within the Playford Council area but also from neighbouring areas.

District parks and reserves will usually comprise of a large recreational area with numerous amenities and some areas of natural land which may comprise bushland, wetlands and/or other natural features.

The parks and reserves within this hierarchy include areas large enough to accommodate a variety of concurrent activities such as casual sport, picnics, BBQ's, family gatherings, community/civic events and walking/cycle trails.

The following park is categorised as district:

- Mofflin Park

Facilities and amenities within a district park may include:

- Playgrounds/playspaces
- Public toilets
- Trees and landscaping
- Irrigated grassed areas
- Recreation activity structures i.e. basketball courts, exercise equipment and soccer goals
- Dog park
- Seating
- Shelters
- BBQ's
- Pedestrian and cycles paths
- Community and civic event spaces i.e. open spaces to erect marques
- Park lighting
- Signage
- On-site car parking
- Skate Park

Purpose for Which the Land is Held

The purpose for which the land is held to:

- Provide open space for the use, enjoyment and benefit of the community.
- Be inclusive for all to play, socialise, exercise, celebrate or participate in other community/civic events or sporting and recreational activities.
- Encourages social interaction and connections.
- Include playspaces, structured gardens and open grassed areas which provide a setting which people can enjoy.

2.2 District

Management Proposals for the Land

Refer to Appendix A for the objectives, performance targets and measures, which contain specific and measurable actions required to achieve Council's management and development of our parks and reserves.

Description of the Land

The table within the following section itemises each district park and reserve providing the following information:

- Name of land
- Street address
- Certificate of title, plan and allotment
- Owner of the land
- Dual category CLMP number
- Crown land trust or dedication granting the City of Playford as custodians

Further information including lease and licence details for land parcels are referenced in the Community Land Register available on the City of Playford website.

2.2 District

Mofflin Park

Mofflin Park, one of Playford's newest parks, is nestled within the City's health precinct adjacent to the Lyell McEwin Hospital. The reserve is designed to encourage physical activity, as well as rest and recuperation to complement growing health services nearby.

This park is currently under construction and is anticipated to be completed within the beginning of 2024.

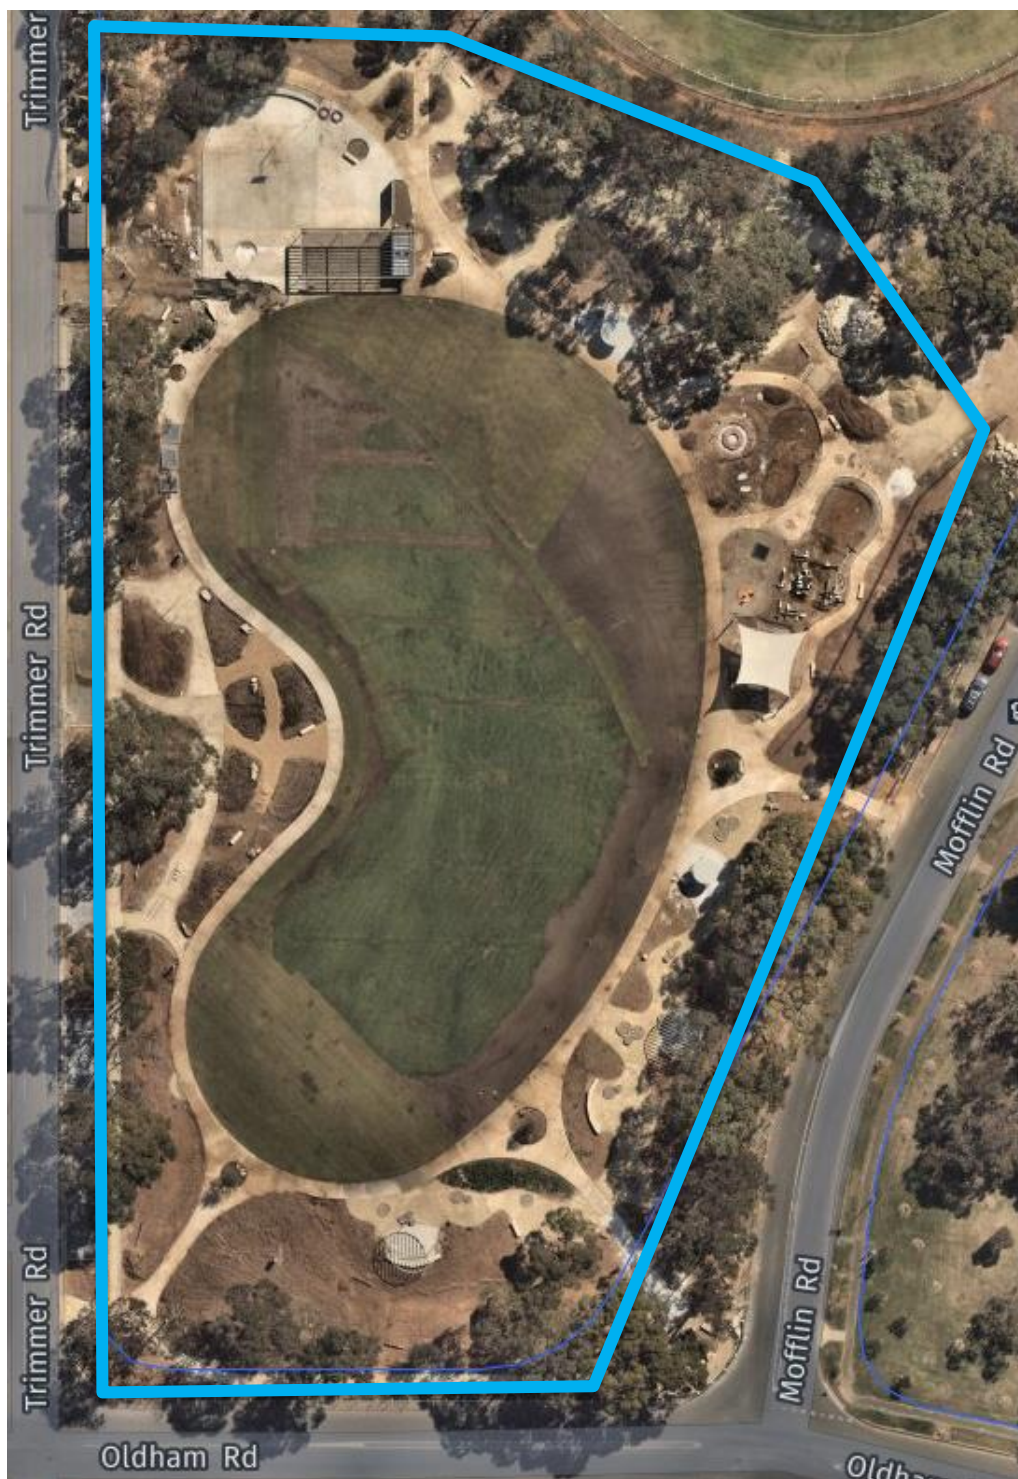

Features include:

- Playspace with ninja course
- All abilities play equipment
- Fitness node
- Basketball hoop
- Therapeutic garden and landscaping
- Public toilets
- Parl lighting
- On street car parking
- Walking and running loop

2.2 District

2.3 Neighbourhood

2.3 Neighbourhood

Neighbourhood parks and reserves generally provides recreational area which meets the needs of local communities.

The parks and reserves within this hierarchy provide a focus on children playspaces which may include open irrigated grassed areas, play equipment, shade trees, seating and pedestrian/cycle paths. There also might be a link between these parks and reserves to school and community facilities.

Facilities and amenities within neighbourhood parks may include:

- Irrigated grassed areas
- Playgrounds
- Signage
- Shade trees and landscaping
- Shelters, seating and BBQ's
- Pedestrian and cycle paths
- Other recreational structures i.e. basketball, tennis courts

Purpose for Which the Land is Held

The purpose for which the land is held to:

- Provide open space for the use, enjoyment and benefit of the community.
- Encourages social interaction and connections.
- Provide natural amenity and tree canopy.
- Include playspaces, structured gardens and open grassed areas which provide a setting which people can enjoy.

Management Proposals for the Land

2.4 Local

2.4 Local

Local parks and reserves generally provide recreational areas which meets the needs of local communities within walking distance.

The parks and reserves within this hierarchy may provide play spaces, trees and grassed areas (irrigated and non-irrigated) and typically used for short period of time. They aim to contribute to the local amenity and character of the neighbourhood.

Facilities and amenities within a local park may include:

- Irrigated and non-irrigated grass areas
- Playspaces in larger and well-located parks
- Signage
- Shade trees and landscaping
- Shelters and seating
- Pedestrian paths in larger and well-located parks

Purpose for Which the Land is Held

The purpose for which the land is held to:

- Provide open space for the use, enjoyment and benefit of the community.
- Encourages social interaction and connections.
- Provide natural amenity and tree canopy.

Management Proposals for the land

Refer to Appendix A for the objectives, performance targets and measures, which contain specific and measurable actions required to achieve Council's management and development of our parks and reserves.

Description of the Land

The table within the following section itemises each local park and reserve providing the following information:

- Name of land
- Street address
- Certificate of title, plan and allotment
- Owner of the land
- Dual category CLMP number
- Crown land trust or dedication granting the City of Playford as custodians

Further information including lease and licence details for land parcels are referenced in the Community Land Register available on the City of Playford website.

Note: For further property information, including leasing and licensing details, refer to the Community Land Register available on the City of Playford website.

2.5 Minor

2.5 Minor

Minor parks and reserves provide an open space area which has a limited recreation functionality. The parks and reserves within this hierarchy contribute to the visual amenity, character of the area, and serve as a pedestrian connection.

Facilities and amenities within a minor park may include:

- Pedestrian paths
- Trees for shade
- Seating
- Unirrigated open space

Purpose for Which the Land is Held

The purpose for which the land is held to:

- Contribute to the visual amenity and character of the area or serve as a pedestrian connection. Some may be appropriate for future upgrade to function as a higher-order park.
- Provide natural amenity and tree canopy.

Management Proposals for the Land

Refer to Appendix A for the objectives, performance targets and measures, which contain specific and measurable actions required to achieve Council's management and development of our parks and reserves.

Description of the Land

The table within the following section itemises each minor park and reserve providing the following information:

- Name of land
- Street address
- Certificate of title, plan and allotment
- Owner of the land
- Dual category CLMP number
- Crown land trust or dedication granting the City of Playford as custodians

Further information including lease and licence details for land parcels are referenced in the Community Land Register available on the City of Playford website.

Note: For further property information, including leasing and licensing details, refer to the Community Land Register available on the City of Playford website.

Appendix A

Appendix A

Parks and Reserves Objectives, Performance Targets and Measures

Objectives: Specific and measurable actions needed to achieve Council's vision for management and development of community land.

Performance targets: The goal or standard to be aimed for or reached.

How Performance will be measured: Action taken to determine if objective/target has been reached.

Objectives	Performance Targets	How Performance Will be Measured
Provide parks, reserves and amenities which are fit-for-purpose, safe, accessible and well-maintained.	Inspection and maintenance of parks and reserves to assess condition, performance and undertake maintenance appropriate to the park or reserve hierarchy level.	Inspection and maintenance carried out as per City Operation's Annual Works Plan and Service Standards.
	Provide safe, high-quality parks, reserves and amenities for all users.	Inspection processes carried out at the practical completion and handover stages from either developer or contractor to Council.
	Customer requests in relation to parks and reserves maintenance are investigated and action taken where practicable.	Review customer request response actions and timeframes.
	Net increase in tree canopy and biodiversity within parks and reserves in locations identified as deficient.	Increase in tree canopy and biodiversity within parks and reserves in line with Council's Urban Tree Strategy and Guidelines.

Appendix A

Objectives	Performance Targets	How Performance Will be Measured
Lease, licences and hire permits that are managed in an equitable, consistent and efficient manner and comply with Community Land Management Plan use of the land.	Lease, licenses or hired parks and reserves are used in accordance with the terms and conditions of their agreement.	Review of leased or licenced parks and reserves and facilities to ensure compliance with terms and conditions.
