4. Procedure

4.1 Making a Complaint

4.1.1 Complaints can be made in the following ways:

By phone: 8256 0333

Email: Playford@playford.sa.gov.au

In writing: 12 Bishopstone Road
Davoren Park SA 5113

In person: 10 Playford Boulevard
Elizabeth SA 5112

- 4.1.2 It is essential that no one is excluded from making a complaint because of any difficulties they may have in doing so. All employees are expected to offer assistance where appropriate and upon request, including assistance with documenting the complaint in writing when circumstances warrant. If necessary, access to interpreters, aids or advocates will be arranged to ensure that everyone is treated equitably.
- 4.1.3 A person making a complaint will generally be required to:
- Identify the issue, and if applicable, who the subject of the complaint is;
 - Identify themselves by providing their name, address, contact number(s) and/or email address;
 - Be specific and provide as much information as possible relevant to the complaint and to assist with the assessment and/or investigation of the issue raised
- 4.1.4 A person making a verbal complaint will be encouraged to put their complaint in writing. If a person does not wish to put their complaint in writing, verbal complaints will be documented by the Council employee receiving the complaint. An employee receiving a verbal complaint may ask the person making the complaint to put it in writing, if the request is complex.
- 4.1.5 In accordance with the Behavioural Management Policy and Procedure, Complaints alleging a Council Member's breach of the Behavioural Standards must be made in writing.

4.2 Receiving, managing and resolving complaints

- 4.2.1 Complaints handling generally consists of two stages:

Stage 1 - Immediate response to resolve a complaint

It is preferable that complaints are dealt with promptly at the initial point of contact and at the appropriate officer level. Accordingly, all Council employees are empowered to handle and attempt to resolve complaints in the first instance. Dealing with a complaint at this level can include referral to another officer to deal with the complaint. This would be required in circumstances where the complaint relates to the conduct or actions of a Council employee, where a different employee is required to handle the complaint.

Stage 2 - Complaint escalated to a more senior officer

A complaint will be directed to a more senior employee of the Council where circumstances indicate that the complaint would be more appropriately handled at a more senior level. This may occur, for example, where an employee has been involved in the issue that is the subject of the complaint, where the complaint is about an issue that requires a decision to be made at a more senior level by an employee with authority to deal with the complaint, or where a complaint concerns a matter that ranges across more than one Council work area.

- 4.2.2 All complaints are to be recorded in Council's corporate records management system as soon as the complaint is received.

- 4.2.3 All complaints received in writing (such as letters, emails etc.) will be acknowledged within one business day of receipt. For requests made in person, by phone or via online services, these will be acknowledged at the time of receipt.
- 4.2.4 The identity of people making complaints will be protected where it is practicable and appropriate to do so.
- 4.2.5 Personal information about other persons relevant to a complaint, including any adverse findings or conclusions made about other persons, will not be disclosed to the complainant unless disclosure is required by law.
- 4.2.6 A Council Member who receives a complaint is required to refer the complaint to an employee to process.

4.3 Anonymous complaints

- 4.3.1 Anonymous complaints will be investigated by Council where there is enough information provided to investigate the matter.

4.4 Unreasonable conduct by a person making a complaint

- 4.4.1 A person(s) making a complaint has a responsibility to act in a reasonable manner towards employees. Unreasonable conduct including unreasonable demands, argumentative or aggressive behaviour by a person(s) making a complaint may result in no action being taken.

4.5 Assignment of complaints

- 4.5.1 Assignment of a complaint will include determining who will investigate and at what level the complaint should be dealt with in the first instance.
- 4.5.2 A complaint will not be dealt with by an employee whose conduct or actions are the subject of the complaint.
- 4.5.3 Wherever possible, complaints will be handled independently of the original decision-maker or employee involved in the matter that is the subject of the complaint.
- 4.5.4 Complaints that proceed to Stage 2 will be referred to a more senior employee who has the authority and expertise to deal with the complaint.
- 4.5.5 If the complaint relates to the conduct or actions of the Chief Executive Officer, it will be referred to the elected body of the Council and dealt with at the Stage 2 level. In that instance, the elected body may seek the assistance of external advisers to assist it in dealing with the complaint and administrative support will be provided to the elected body by the Manager Governance.

4.6 Representatives of person(s) making a complaint

- 4.6.1 If a person prefers or needs assistance in making and/or resolving their complaint, the Council employee dealing with the complaint will request that this be communicated to the Council in writing (and will assist the person to do so if required). Once this request has been received, all communication (or such communication as the person has requested) will be through their representative.
- 4.6.2 Where similar complaints are made by related parties, the Council employee dealing with the complaint will endeavour to arrange to communicate with a single representative of the group by requesting the related parties nominate a single representative in writing.
