

# GRENVILLE HUB IS MOVING! - FAQ

## The move to temporary accommodation in the Civic Centre

### When is the Grenville moving to temporary accommodation?

The Grenville Hub has relocated to temporary accommodation in the Playford Civic Centre function rooms ahead of the new Grenville build which commences in early 2019. The former Grenville Hub building closed for business on Friday 21 December 2018.

During the build of the new Grenville, all Grenville services will operate from the Playford Civic Centre function rooms, which have been fitted out to make sure services to the community continues business as usual.

### Will all of the same services and activities be provided in the temporary location?

Yes. It will be business as usual. The Playford Civic Centre function rooms include a fully-functioning commercial kitchen and a large space for dining. There is a stage and wooden dance floor area, and various activity spaces for all of the different activities to run as they did at the former location.

### What about staff and volunteers?

The same staff and volunteers are looking after customers and delivering the usual services in the new location.

## Where will Home Assist operate from?

Home Assist has relocated to The Precinct at 112 Coventry Road, Smithfield Plains. The Precinct is Playford's new home for a range of community services such as the recently launched Healthy Food Co. It is the new home for Playford's Men's Shed and a number of other future community-focused services. Rest assured, you will still be able to access the full range of Home Assist services. Home Assist's contact number remains the same (8256 0355) for booking services, accepting EFTPOS payments and answering your queries. A Home Assist staff member will also be on hand every day at the Civic Centre location and of course you can always enquire about their services with staff at the Grenville.

## Where can we park?

Grenville Hub members and Grenville volunteers are eligible for free parking, providing they are attending the Grenville Hub and have their ticket validated at the Grenville. For full details about the new Windsor Carpark, ask for a copy of the Windsor Carpark FAQ available at the Grenville Hub, Civic Centre and other City of Playford locations. The [Windsor Carpark FAQ](#) is also available online

There will continue to be parking available along Prince Charles Street and behind the Civic Centre. Primary consideration will be given to locating these parks as close to the Civic Centre as possible to ensure ease of use by Grenville patrons with reduced mobility.

*Information correct as at 14/02/2019*
