VOLUNTEER VACANCIES

Biodiversity Projects

Volunteers work in our nursery to propagate local native plants and/or assist with revegetation activities such as maintenance of the scenic Little Para Seed Orchard.

Your role: You will work in a variety of weather conditions to assist with seed sowing & transplanting, weeding, cleaning tubes, planting, watering and other general duties as required. Activities are held on Sat mornings in accordance with a quarterly calendar click on link [Playford Greening Volunteers](#)

Home Assist Drivers

Volunteers who enjoy being 'out on the road' assist residents to ensure they maintain independence and social connections.

Your role: Following a detailed schedule put together by our friendly staff members Dennis (Home Assist- HA) or Anne (Community Passenger Network - CPN) you will pick up a Council vehicle and head out for most of the day. HA drivers are accompanied by an assistant and together you will pick up & drop off clients to various local programs and/or CPN you will work one-on-one driving clients to various appointments both local and city bound.

Playgym

The John McVeity Centre/Playford Wellbeing Hub staff and volunteers work together to provide programs and activities to benefit the community.

Your role: As a Playgym Volunteer, your role will include:

- Setup of children's play equipment incl. mats, climbing frames, toys etc.
- Supporting the facilitator to deliver the session (talking to families, engaging with the children, hello & goodbye songs)
- Pack up of Playgym including sanitising equipment.
- Engage and welcome families.

Reasonable level of fitness required.
