Women's Craft, Coffee & Chat @ The Rise

Calling all 'crafty' people who love to share their passion and help others to unlock their creative side once a week on a Wednesday mornings at the Elizabeth Rise Community Centre.

Your role: As the enthusiastic 'craft ideas' person you will support a small group of community members to undertake a range of simple projects which may include anything from jewellery making, painting, mosaic etc. You will help the coordinators plan the program and let them know in advance what materials are needed. Experienced in 'chatting' is a must!

Joey's Storytime @ The Rise

Do you remember when you were a kid how stories would open the door to a whole new magical world? Joey's Storytime takes children (0-5 years) and their families on this incredible journey while providing significant benefits in helping children develop their reading, language and imagination skills.

Your role: Leaving your inhibitions at the door you will bring books to life through storytelling, play and songs. You will encourage parents by demonstrating how much fun reading with children can be, provide some helpful tips and working with the coordinators to prepare practical activities that get children excited about books.

Community Foodies

Our trained volunteer foodies enjoy cooking, are passionate about healthy eating and sharing their knowledge with the local community.

Your role: As a friendly foodie you will have a willingness to learn and develop your skills to support your community to make healthy eating an easy choice. Supported by the foodie coordinator you will have lots of fun supporting activities such as cooking programs, health promotion events and/or delivering presentations to community groups. You will also become an expert 'apple slinky' maker!

Bingo @The Rise

The Rise Community Centre is a friendly, accessible space that offers a range of programs that bring our local community together and nothing brings people together like a good game of bingo!

Your role: Leading the activity you will set up & pack down, hand out cards, call numbers (maybe even impressing participants with your knowledge of bingo lingo such as 'legs eleven' & 'at the gate'). Using your creative skills to acknowledge participants with a weekly winner's board will keep the community coming back!
