VOLUNTEER VACANCIES

Biodiversity Projects

Volunteers work in our nursery to propagate local native plants and/or assist with revegetation activities such as maintenance of the scenic Little Para Seed Orchard.

Your role: You will work in a variety of weather conditions to assist with seed sowing & transplanting, weeding, cleaning tubes, planting, watering and other general duties as required. Activities are held on Sat mornings in accordance with a quarterly calendar click on link [Playford Greening Volunteers](#)

Home Assist Drivers

Volunteers who enjoy being 'out on the road' assist residents to ensure they maintain independence and social connections.

Your role: Following a detailed schedule put together by our friendly staff members Dennis (Home Assist- HA) or Anne (Community Passenger Network - CPN) you will pick up a Council vehicle and head out for most of the day. HA drivers are accompanied by an assistant and together you will pick up & drop off clients to various local programs and/ or CPN you will work one-on one driving clients to various appointments both local and city bound.

Dog Walking

'Animal loving' volunteers who enjoy being active support our 'leash on life' program that assists older people who are unable to regularly walk their dog to keep their pet happy & healthy.

Your role: For a commitment of at least six months you will be matched with a friendly dog in your local area taking them out once or twice a week for a much appreciated walk (guaranteed tail wagging) around the neighborhood.

Currently have dogs in Andrews Farm & Elizabeth Vale eagerly awaiting a walk.
