Want to get involved in a new sport or club, but don't have the funds? A Club Participation Sponsorship Grant could be the kick-start that you need, helping you purchase equipment, uniforms or even pay your first club membership fee

Purpose

City of Playford has limited funding available to assist young people up to the age of 17 years to receive a one-off discount on the direct costs associated with initially joining a City of Playford club (eg, membership fees, registration fees, uniforms or equipment, etc.)

The purpose of this program is to reduce the cost of initial joining fees of clubs to young people who may find cost a barrier to participation.

Clubs will need to apply on behalf of the individual by submitting an application form and following the eligibility criteria.

Funding

- A one-off payment of up to \$200 per individual may be granted to cover initial costs of joining a City of Playford club. These costs may include membership fees, registration fees, uniforms or mandatory equipment

- Club must determine that participation of the applicant could not occur without club sponsorship
- Club must complete an application form in conjunction with the individual
- A typed, signed letter of support from the club must accompany the application
- Applications can be received at any time prior to the commencement of the membership period
- Sponsorship is a one-off payment per individual
- Individual must be:
 - A resident of the City of Playford
 - Aged 17 years or younger at the time of the application
 - A new recruit for the club or an individual who has not played for or been involved in the club for at least two years
