Please ask the client to bring all records of immunisation and arrival documents when attending the NARI clinic for immunisation.

Once form is completed, please save and email to immunisation@playford.sa.gov.au
Alternatively, print and fax 'Attention: Sally Vlassco' to 08 8256 0578

The NARI provider will contact the client/s to arrange for assessment of immunisation status (if not completed) and develop a 'catch-up' immunisation program as required.
