Notes on completing the Food Business Ownership & Location Details (page 1)

ACN: The Australian Company Number (ACN) applies to Companies registered with the Australian Securities & Investments Commission (ASIC). The ACN number is mandatory if your business is a company.

ABN: Optional entry if the business is not required to have an ABN. All businesses with an annual turnover of \$50,000 or non-profit organisations with an annual turnover of \$100,000 require an ABN. Contact the Australian Taxation office for information on applying for an ABN. Phone 13 28 66.

Trusts: If you are designating a Trust as the proprietor of the business, please provide the name/s of the Trustee/s of that Trust. This information can be found on the Trust Instrument for that Trust.

Registered business name: Mandatory entry if you trade other than under your own personal name. If the food business has been registered under the National Corporations Act 2001 administered by the Australian Securities & Investments Commission (ASIC), then the registered company name should be entered here. If the food business has been registered under state or territory legislation and not under the National Corporations Act 2001, then that registered business name should be entered here. If you are unsure if you are legally required to have a registered business name contact Consumer & Business Services on 13 18 82.

Common Trading Name: Required if the business does not have a registered business name. If a business name is not registered, indicate the name under which the business is known or operates.

Manufacturing Sector

(a) Please tick the types of food manufactured by your business (MAY BE MORE THAN ONE)

<input type="checkbox"/> Dairy products	<input type="checkbox"/> Raw fish, shellfish and seafood

<input type="checkbox"/> Bakery goods, bread, pastries, cakes	<input type="checkbox"/> OTHER including mixed foods (specify below)

If OTHER please specify business type _____

(b) My business only manufactures low risk foods Yes No

*If the answer to question (b) is **No** please answer the following questions*

(c) Some or all foods manufactured by my business **DO NOT have a Pathogen Reduction step** Yes No

(d) My business manufactures uncooked fermented manufactured comminuted processed or manufactured meat products (salami and similar uncooked meat products) Yes No

Notes

The food manufacturing sector is subdivided into board categories based on the type of food produced. There is an option for OTHER to cover a food type that does not fit into one of the defined food categories. A food business **may choose more than one** category of food.

The Yes/No questions are designed to assist councils determine a priority classification.

Low risk food is a food that is unlikely to contain pathogenic (potentially harmful) microorganisms and will not normally support their growth due to food characteristics. Examples are grains and cereals, bread, carbonated beverages, sugar-based confectionery, alcohol and fats and oils.

A pathogen reduction step a processing step that significantly reduces the microbial population present in a food material. Examples are *cooking, pasteurisation, canning or fermentation or any other processing step that is capable of significantly reducing the level of pathogenic organism present.*

Uncooked fermented manufactured meat products. These are manufactured and processed meat products such as Salami and Mettwurst that do not include cooking in the process of manufacture

Retail and Food Service Sector
