Welcome

Welcome to the City of Playford and congratulations on choosing this growing and diverse community as your home.

Playford is a great place to live, work, play and invest. Elizabeth is the regional centre of the north and across the city we have a unique blend of urban areas, townships, open spaces, hills and horticultural lands.

The Council provides a broad range of services to the community. From our libraries, community centres, the Northern Sound System or the Shedley Theatre, there is something for everyone. For leisure, explore our many parks and playgrounds with family and friends.

Tap into Playford's rich community spirit by volunteering or joining a sporting club to connect with others.

You may wish to sign up to Council's fortnightly e-newsletter to keep up-to-date with news and events in your city.

Also look out for Council's quarterly magazine, Playford News, delivered straight to your letterbox.

I trust you will enjoy our beautiful city.

Mayor Glenn Docherty
