

ROADWORKS UPDATE

18/06/26

Dear Resident/Business Owner,

Please be advised that road resurfacing works have been rescheduled due to wet weather, as per the details outlined below:

Locations:	Heysen Court, Blakeview
	Cleland Avenue, Blakeview
	Sanctuary Walk, Blakeview
	Shelter Close, Blakeview
New dates (weather permitting):	Saturday, 20 June – Tuesday, 23 June 2026

Works will be undertaken between the hours of 7:00am and 5:00pm. Works will not occur on Sunday, 21 June 2026.

Please note the following:

- **Driveways within the work area will not be accessible at times during working hours, depending on the particular location of work.** Please speak to on-site staff if you require access during works adjacent your property.
- In the case of an emergency, access will be facilitated.
- Road closures and detours will be in place. Please follow signage and instructions from on-site traffic controllers.
- On-street parking in the work area will be temporarily unavailable, with parking restrictions (bollards and traffic cones) installed in restricted parking areas the day before works.
- Please ensure rubbish bins are placed on the kerb prior to 6.00am as an early collection may have been arranged.
- The health and safety of the public and our workers is our primary concern. Heavy machinery and very hot products will be in use during the works. Please ensure all members of your household/workplace, particularly children, stay clear of the works area.
- Some noise disturbance can be expected while the works are completed.

Where applicable, line marking and service access cover adjustment works will be completed within four weeks following asphalt works.

The works are weather dependant and may not proceed in the event of inclement weather. We will provide you with further notice if this occurs.

We appreciate your cooperation while we undertake these important works to improve your local roads. If you have any questions, please contact us on the details below:

- Phone: **1300 103 456**
- Email: **sa.asphaltenquiries@fultonhogan.com.au**

Kind Regards,
Fulton Hogan Infrastructure Services
