

NOTICE TO RESIDENTS

KERB & GUTTER RENEWAL

WORKS CHARMOUTH ROAD, DAVERON PARK

The City of Playford advises that kerb and gutter renewal works on Charmouth Road, Daveron Park, are scheduled to commence shortly as part of Council's Capital Works Program. These works include the renewal of kerb, gutter and invert sections.

Parisi Paving has been engaged by Council to undertake these works.

When will the Works occur?

Works are scheduled to commence on **5/2/26** and are expected to be completed by **5/3/26**, weather permitting. Unfavourable weather conditions may result in delays.

How will this affect residents?

Vehicle driveway access may be restricted for short periods to some residents, particularly while concrete is curing (typically up to 24 hours).

Parisi Paving will contact affected residents on the day works commence to discuss access requirements and, where possible, make suitable arrangements. Every effort will be made to minimise disruption to residents.

Waste collection will continue as normal. Our crew will assist with relocating bins to a suitable collection point and returning them after collection.

To assist with safety and efficiency, residents are requested **not to park vehicles along kerbs, verges, or footpaths** for the duration of the works.

Traffic management, including signage and speed restrictions, will be in place to ensure the safety of pedestrians, motorists and workers.

If you have any questions, please contact the Parisi Paving representative on the number below. We apologise for any inconvenience and thank you for your cooperation.

Yours sincerely,

Liber Milans
Supervisor
