To the House Holder

Dear Resident

RE: Supple Road, Road Reconstruction and Stormwater Upgrade

The City of Playford has contracted Remo Contractors PTY LTD to undertake the reconstruction of Supple Road between McEvoy and Ryan Road.

Preliminary works in this area (service locations and survey) have already commenced. Minor construction works have been scheduled in to commence from the 11th of August. We intend for our works to be completed mid-October.

Works will be conducted during the standard work hours of 7AM to 5PM Monday to Friday and 7AM – 3PM on Saturdays.

The affected work areas will be subject to standard work zone traffic management and speed restrictions will apply. There will be times during these works that Supple Road will be closed to general traffic, however all residents and workers will have full access to their properties.

We apologise for any inconvenience caused and thank you for your cooperation and patience.
