

On behalf of:
Pavement Asset Services
For: City of Playford

Dear Resident,

Pavement Asset Services will be undertaking road investigation works on Douglas Drive, Munno Para between Orchard Street and Traeger Way, on behalf of the City of Playford.

Scheduled Work Details

Date: **Tuesday 16 September 2025**
Time: **9.00am to 3.00pm**
Location: **Douglas Drive, Munno Para**
Site Map: **See next page**

What to Expect

- The work involves drilling and coring into the existing road pavement.
- Activities may generate brief bursts of noise and minor dust, typically only lasting a few minutes at each location.
- The field crew will spend approximately one hour per location before moving to the next.

Traffic and Access Management

- Sections of Douglas Drive will be closed between 9am and 3pm.
- Detours will be in place for general traffic.
- Buses and impacted residents will be provided access at all times.
- There will be no impacts to bus stops.
- Traffic controllers will be onsite to manage vehicle and pedestrian movement.
- Please follow the instructions of traffic controllers and all posted signage for your safety.

Minimising Disruption

- We will take all reasonable measures to minimise disruption to residents.
- Access to properties will be always maintained during the work.
