

**On behalf of:**  
**Pavement Asset Services**  
**For:** City of Playford

Dear Resident,

Pavement Asset Services will be undertaking road investigation works on Peachey Road, Munno Para between The Parkway/Light Avenue and Myrtle Avenue, on behalf of the City of Playford.

### **Scheduled Work Details**

**Date:** Wednesday 17 September 2025  
**Time:** 9.00am to 3.00pm  
**Location:** Peachey Road, Munno Para  
**Site Map:** See next page

### **What to Expect**

- The work involves drilling and coring into the existing road pavement.
- Activities may generate brief bursts of noise and minor dust, typically only lasting a few minutes at each location.
- The field crew will spend approximately one hour per location before moving to the next.

### **Traffic and Access Management**

- The road section between Myrtle Avenue and The Parkway will be closed between 9am and 3pm.
- Detours will be in place for general traffic.
- Buses and impacted residents will be provided access at all times.
- Traffic controllers will be onsite to manage vehicle and pedestrian movement.
- Please follow the instructions of traffic controllers and all posted signage for your safety.

### **Minimising Disruption**

- We will take all reasonable measures to minimise disruption to residents.
- Access to properties will be always maintained during the work.

### **Contact Details**

If you have any questions or concerns, please contact:
