

NOTICE TO RESIDENTS

Broster Road, Angle Vale – Civil Works

The City of Playford has appointed Nova Group to undertake civil construction works along Broster Road, Angle Vale. These works will include upgrades to stormwater infrastructure, kerbing, footpaths, and road pavement.

When will work commence?

Works are scheduled to commence on **Monday 25 May 2026** and are expected to be completed by **Tuesday 30 June 2026**, weather permitting. Please note that inclement weather may impact these dates.

How will this affect residents?

During construction, there may be temporary changes to vehicle and pedestrian access, including:

- Temporary road closures and detours
- Reduced speed limits
- Construction noise
- Temporary footpath closures

Pedestrian access will be restored as soon as practicable once works are completed. Property access will be maintained wherever possible, and residents will be notified in advance of any temporary access restrictions.

To assist with the safe and efficient completion of the works, residents are kindly requested not to park vehicles on the roadway, verges, or footpaths within designated work areas during construction. These areas will be clearly identified with bollards and signage.

Work hours will generally be between 7:00am and 5:00pm, Monday to Friday.

Traffic management personnel, signage, and speed restrictions will be in place throughout the works to ensure the safety of residents, pedestrians, motorists, and workers.

Contact Information

If you have any questions or require further information, please contact Ben Colwell, Nova Group representative, on 0498 826 795.

We apologise for any inconvenience caused during these works and thank residents in advance for their patience, understanding, and cooperation.

Yours sincerely,

Nova Group Services
