

Works Notification

Date: **18/09/2025**

Reference Number: **1256**

Nature of Work: **Stormwater Upgrade**

Dear Owner / Resident,

We wish to notify you that Camco (SA) Pty Ltd has been engaged by the City of Playford to undertake stormwater upgrade works at Park Road, Old Port Wakefield Road, and Gawler Road, with Stage 1 of the works commencing at Park Road.

Works are scheduled to commence **Monday 29th of September** and be completed by the early of **December 2025** (weather permitting).

As work progresses, we will provide further updates on the traffic movement changes.

During this time there will be partial road closure on Park Road and temporary traffic management in place. We ask that you take care whilst travelling through the work zones and adhere to speed restrictions and traffic devices when present.

Working hours will generally be between 7:00 am and 5:00 pm Monday to Friday with occasional work on Weekends when necessary. All activities will be conducted in accordance with relevant Environmental standards including those relating to noise minimisation.

Camco (SA) Pty Ltd regrets any inconvenience that may result from this work and appreciates your cooperation and understanding.

Should you require any additional information regarding this work, please contact me on 8332 1199.

Yours faithfully,

Camco (SA) Pty Ltd

.....
